

# City of Elkader Housing Canvass

Caring volunteers in your community are on a mission to ensure that existing and potential residents are able to find safe, secure, and quality housing that meets their needs and fits within their budgets.

Through a partnership with Iowa Economic Development Authority (IEDA), Elkader received a matching grant through the Empower Rural Iowa Initiative to participate in the Rural Housing Readiness Assessment (RHRA) program provided by Iowa State University Extension and Outreach's Community and Economic Development unit (CED). The assessment report can be found at <https://elkader-iowa.com/residents/housing-committee/>. As part of this work, each resident is asked to complete a brief survey to share their current and anticipated housing needs. This information will aid in planning potential rehabilitation and housing development in Elkader.

## Completing the Survey

This survey should take no more than 5 minutes to complete.

**Option 1:** Scan the QR code on this page or visit

<https://bit.ly/ElkaderHousing>

**Option 2:** Complete the survey in paper form. Housing Committee volunteers will be going door-to-door in the coming weeks with the survey. If you're not home, we'll leave a form for you to complete later. Completed surveys can be dropped by City Hall.

## More information

Please call Elkader City Hall at (563) 245-2098. A volunteer on the Housing Committee will get back to you as soon as possible.
